As Viewed at a Distance.

Washington "from official sources" contains some pretty straight talk directed at the Hawaiian planters, on the labor question. It reads:

Washington, Dec. 25 .- One of the greatest questions that has ever been before Hawaii is the immigration problem that now confronts your local administration as well as your planters. It must be considered in the intensity of its seriousness. As I said last week: "If Ha- last legislature passed it in a lump. fort to bring white people there, it of Hawaii. must not fall in the same mistake it has made in the past." It must be in earnest.

that has been published here within the week, states that one plantation has arranged for the settlement of a part of its lands by one thousand Japanese laborers; also that the Japanese are acquiring coffee and vanilla lands. If this be true, it will not help Hawaii in seeking special legislation at the hands of Congress during the present session. Such a policy is in
